

Nowcasting SAF users' Workshop 2020 10-12 March 2020

OPENED ONLINE ATTENDANCE

Opened online attendance for registered and non-previously registered participants

Due to growing concerns about COVID-19 and the consequent uncertainties and difficulties of some participants to travel to Madrid to attend the NWC SAF Users' Workshop, the organization has decided that

The Workshop will have a mixed format: face-to-face and online.

Participants attending the Workshop in Madrid are very much welcome.

Already Registered participants that would like to attend the Workshop and/or do their presentation online will have the opportunity to connect to a videoconference to follow the Workshop and/or do their presentation online.

We also open the possibility to follow the Workshop online to interested participants not previously registered.

IF YOU WISH TO FOLLOW THE WORKSHOP ONLINE AND/OR DO YOUR PRESENTATION ONLINE, PLEASE REGISTER IN THE FOLLOWING LINK:
